# ABOUT US

---

At proof-tec GmbH, we specialize in crafting premium waterproofing systems through an exceptional partnership with our customers. With over 40 years of expertise, we not only provide technical support and application training but also collaborate closely with our clientele. Our commitment to high-quality products, rigorously tested by independent institutes, ensures durability and reliability.

---

# VALUES

## Integrity

At the core of our operations lies an unyielding dedication to integrity, underpinning every decision and action we take.

## Quality

Our unwavering commitment to stringent quality standards ensures our products consistently deliver unparalleled reliability and performance.

## Customer relations

We prioritize fostering enduring relationships, offering dedicated support and collaboration to meet our customers' evolving needs.

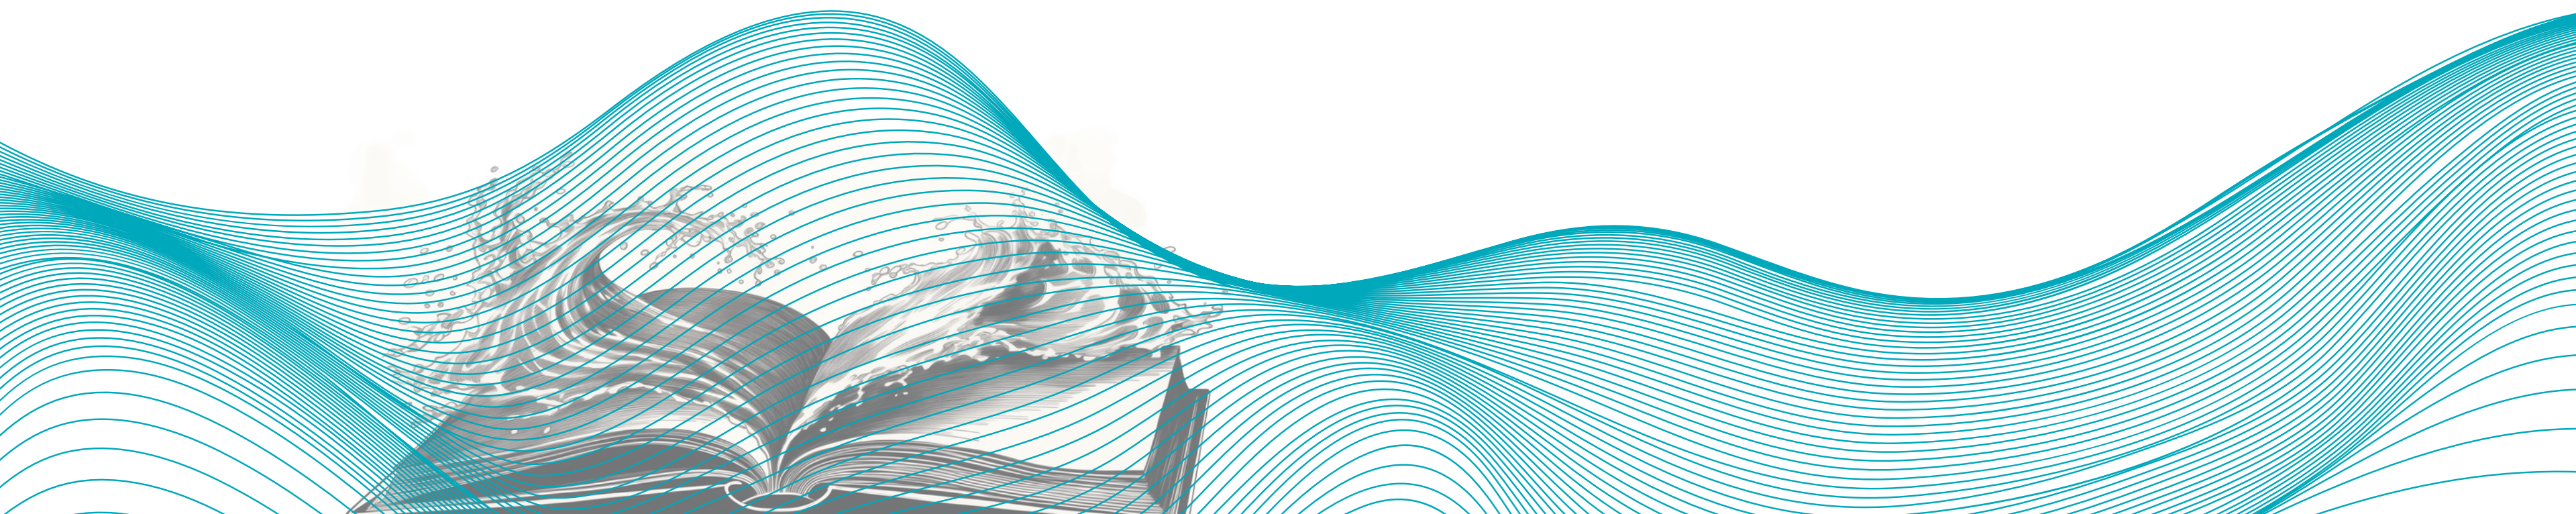

## Innovation

Embracing a culture of continual innovation, we pioneer groundbreaking solutions that redefine industry standards.

# COMPANY PHILOSOPHY

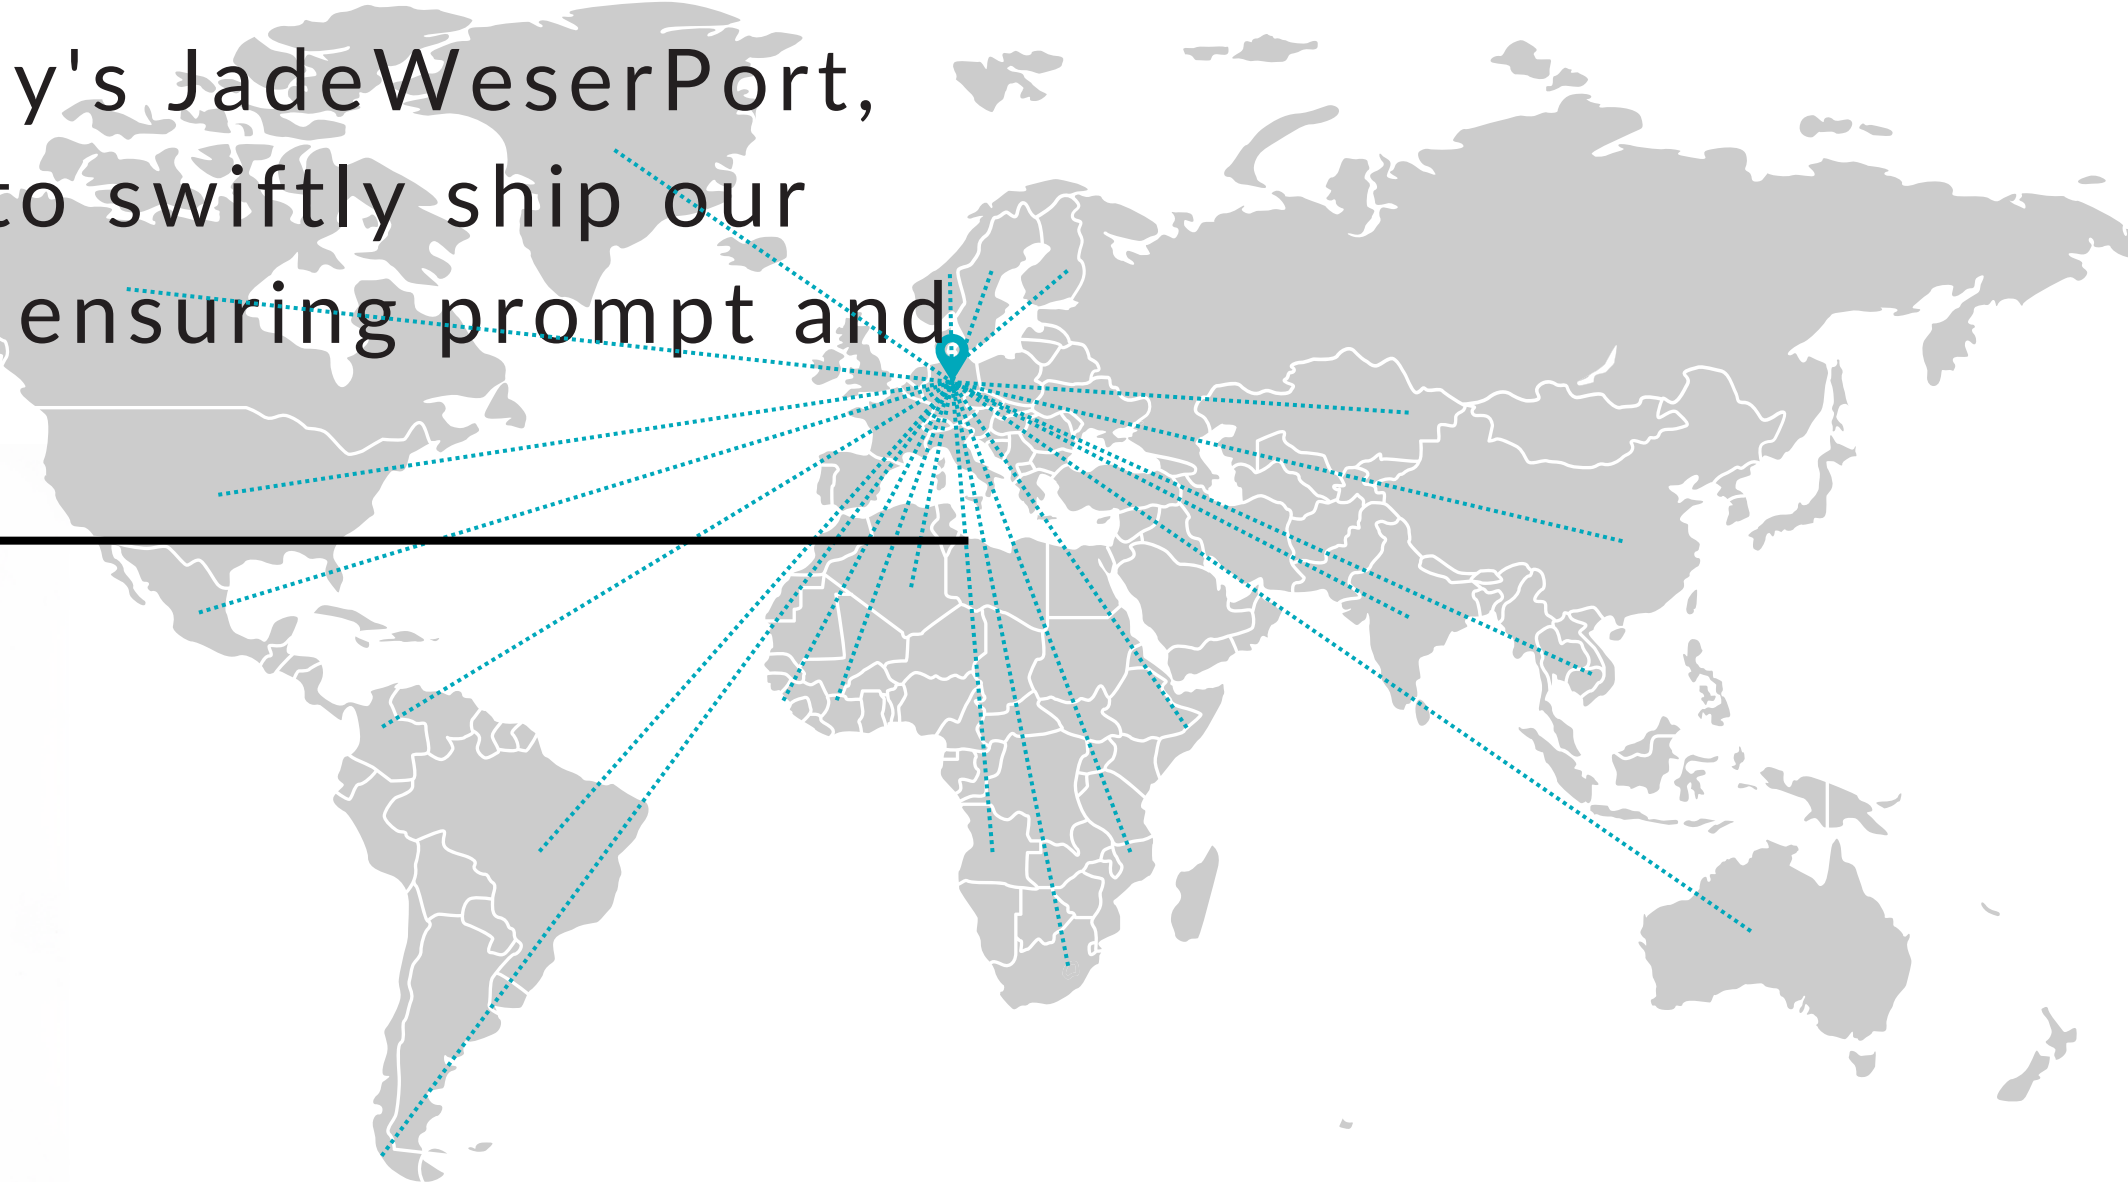

At proof-tec GmbH, we're dedicated to top-quality waterproofing and ongoing innovation. Specializing in this field, we offer exceptional technical support, value flexibility, and prioritize close customer service. Our sustainable growth strategy hinges on our committed employees, pivotal to our future success.

# GLOBAL REACH AND DELIVERY

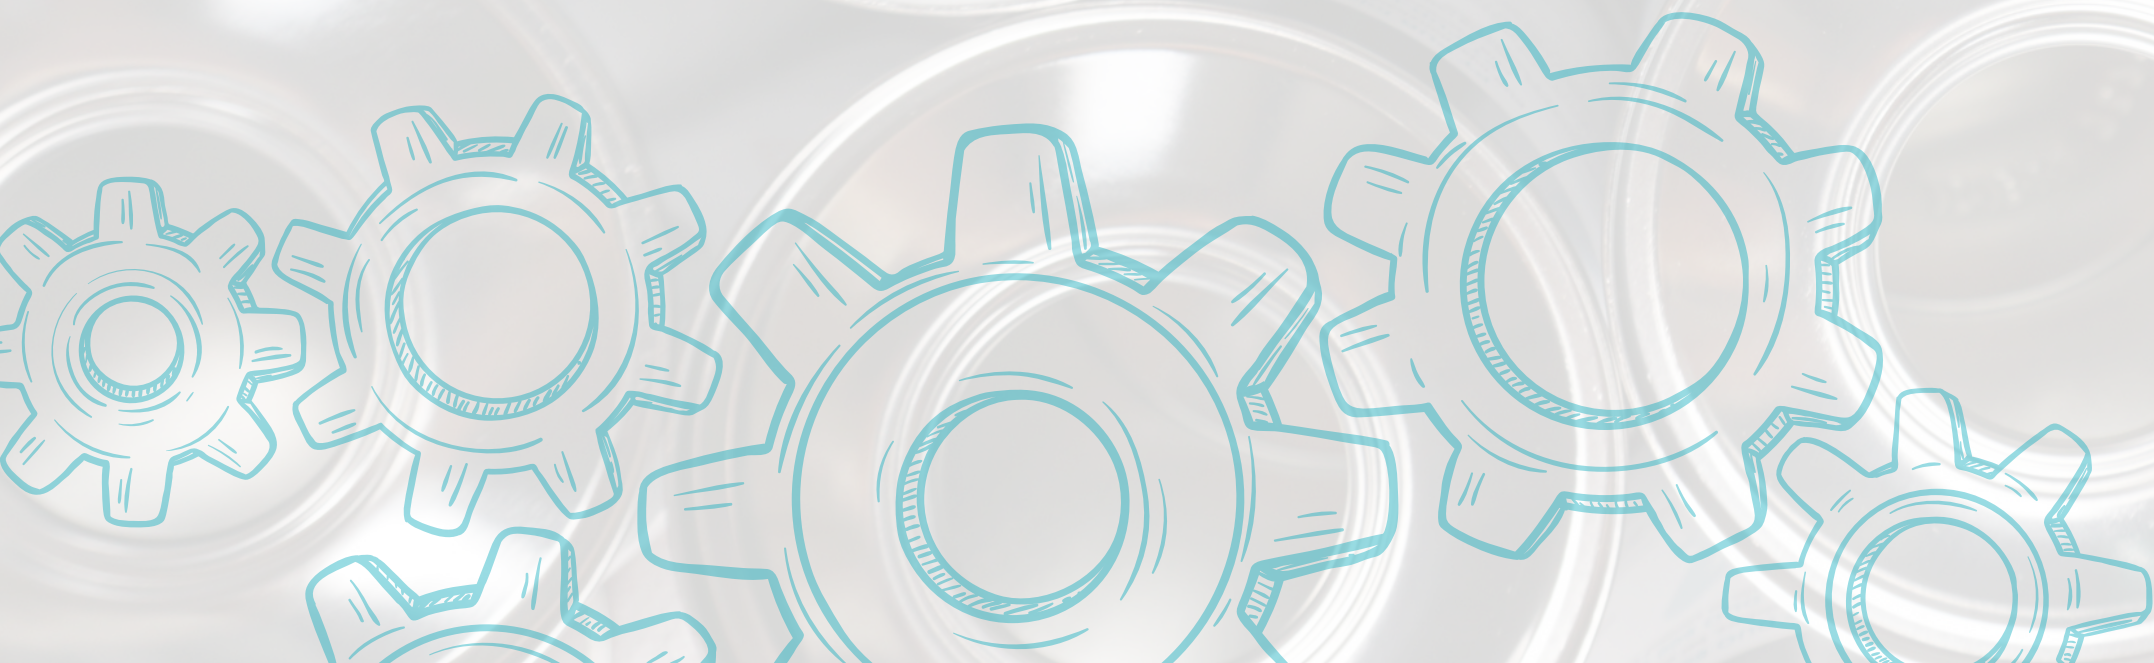

Located in Friedeburg, near Germany's JadeWeserPort, we leverage this strategic position to swiftly ship our products worldwide via sea freight, ensuring prompt and reliable deliveries across the globe.

# PRODUCTION

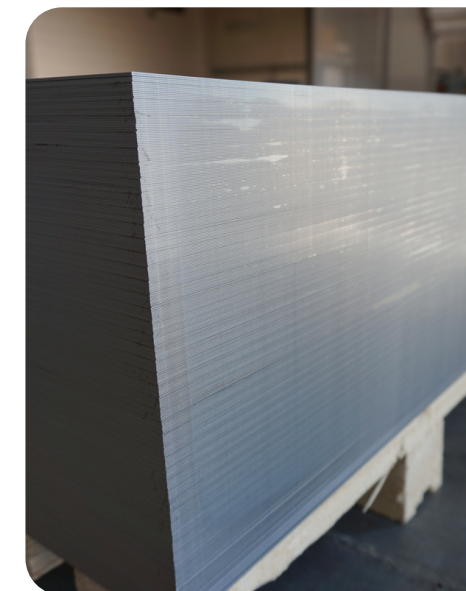

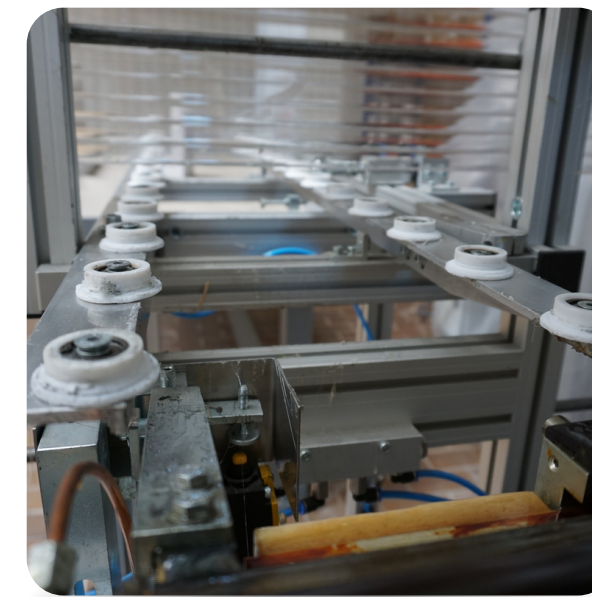

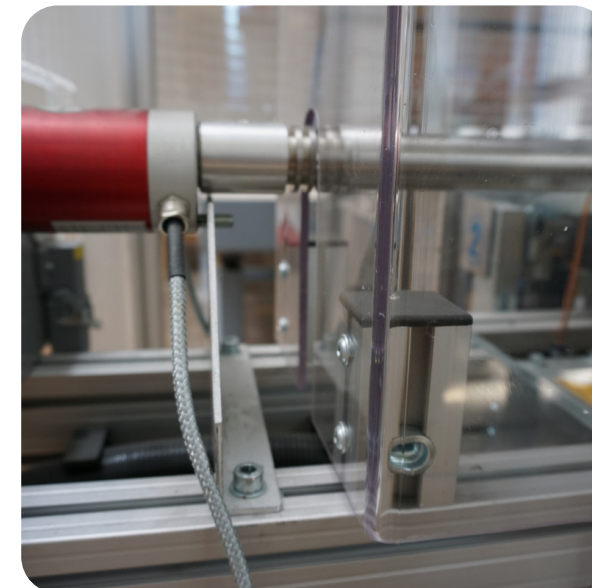

While leveraging decades of experience, we maintain the highest quality standards in manufacturing. Our vigilant production monitoring guarantees consistent product excellence, fostering continuous growth in our business field.
